

2026 Meet the Fellows Program

Meet the Fellows is a storytelling program for Artist Trust Fellowship recipients to share their stories, build new audiences for their work, and to recognize each recipient as a 2026 Artist Trust Fellow.

This program is optional for all 2026 Fellowship recipients. Fellows can opt in to be included in the 2026 Meet the Fellows program; however, each recipient will still be considered a “Fellow” and will still receive full funding whether they opt into the program or not.

By opting into the 2026 Meet the Fellows Program, Fellows agree to do a written interview conducted by Artist Trust staff that will be published on the Artist Trust website, promoted on social media, and shared in our newsletter.

2026 Meet the Fellows programming will start in April 2026.

If you have questions, please reach out to Program Director Lydia Boss (lydia@artisttrust.org).
